

UP FOR POLITICAL BATTLE ONE WEEK FROM TODAY

Elections in Twelve States and a Number of Municipal Contests--Socialists and Prohibitionists Have Tickets in All States Save Two--The Standard Bearers

Associated Press.

NEW YORK, October 28.—There will be elections in twelve states one week from tomorrow. In Massachusetts, Rhode Island, Maryland, Mississippi and Kentucky a governor and other state officers are to be chosen; in New Jersey, a governor only; in New York, associate justices of the court of appeals; in Pennsylvania, a state treasurer; in Nebraska, a railroad commissioner and two regents of the state university; in Ohio, Utah and California, municipal officers are to be selected, while in New York county a number of judges and a sheriff are to be voted for.

The prohibitionists have a state ticket in all the states, except Maryland and Mississippi, and city tickets in Cleveland and Cincinnati, but not in San Francisco or Salt Lake City.

The socialists have tickets in Kentucky, Massachusetts and New Jersey, while union labor made nominations for city officers in San Francisco.

There is only one ticket—the democratic—in Mississippi, and the result, of course, is not doubtful.

In Massachusetts there are ten tickets, five being divided among democrats, who are engaged in a factional fight with the state delegation to the national democratic convention next week in perspective. The ballot law commission decided that Henry M. Whitcomb was the nominee for governor.

In Nebraska the democrats and populists based on the officials to be voted for throughout the state.

In Maryland there will be a straight contest between the democrats and the republicans, only the two parties having made nominations for state officers. In addition to these a house of delegates and one-half of the state senate are to be elected. The next legislature will choose two United States senators—one to fill the unexpired term of the late Arthur T. Gorman and the other to take the place of Senator Bayard. The republicans adhere to the old plan of senatorial election, but the democrats are to put into effect a new senatorial primary plan, which requires every member of the legislature to vote for the candidate receiving the highest vote in his district. The senatorial primaries, so far at least as the democrats are concerned, will hereafter be part of the regular elections in Maryland. Four aspirants for the long term will be voted for November 5, the candidates for the short term having no question.

The local elections, particularly in New York county, Cleveland, Cincinnati, Salt Lake City and San Francisco are of particular interest this year.

In New York county the republicans and the independence league (Hearst) have fused on the county ticket, which is made up of a number of court justices and a sheriff. This gives unusual interest to the contest, although the republicans named the head of the party, M. Linn Bruce, for justice of the supreme court, the most important office, that of sheriff, went to the independence league, whose nominee, Maximilian F. Ihmsen, has been William F. Hearst's campaign manager in several campaigns. Of the ten judges nominated, the republicans named five and the independence league the others. Opposed to Ihmsen on the Democratic ticket is Thomas F. Foley, Democratic leader of the Second Assembly district and a well-known figure in state politics, while James W. Gerlach heads the Democratic ticket for justice of the Supreme Court. Soon after the nominations were made, Mayor McEllen, who had been opposed to the present Tammany machine, announced that he would support the Democratic ticket against the Republican-Hearst combine.

In Cleveland, Congressman Theodore E. Burton is contesting the majority with Thomas L. Johnson, who is understood to be the representative of William F. Bryan in Ohio, and to endorse Bryan's views on the subjects of public utilities. There are four tickets in Salt Lake City, the American or Anti-Tammany party, having made nominations for local offices as have the Republicans and Democrats and Socialists.

In San Francisco the Democrats and the Good Government forces have combined and nominated the present acting mayor, who is opposed by a republican as well as a Union Labor candidate, and the three-cornered fight is unusually lively.
